

## Visitor's Acknowledgement of Risks

In consideration of the services of Wilderness Ridge Trail Llamas, their agents, owners, officers, volunteers, participants, employees, and all other persons or entities acting in any capacity on their behalf (hereinafter collectively referred to as "WRTL"), I agree as follows:

Although WRTL has taken reasonable steps to provide me with appropriate equipment and skilled guides so I can enjoy an activity for which I may not be skilled, WRTL has informed me this activity is not without risk. Certain risks are inherent in each activity and cannot be eliminated without destroying the unique character of the activity. These inherent risks are some of the same elements that contribute to the unique character of this activity and can be the cause of loss or damage to my equipment, or accidental injury, illness, or in extreme cases, permanent trauma or death. WRTL does not want to frighten me or reduce my enthusiasm for this activity, but believes it is important for me to know in advance what to expect and to be informed of the inherent risks. The following describes some, but not all, of those risks:

Although every attempt will be made by WRTL to ensure the health and safety of the participants, I understand that injuries and accidents may occur. Foreseeable risks include, among other things: the hazards of traveling by hiking, horseback, plane, helicopter, and automobile in remote, mountain and canyon environments, potential exposure to falling rocks, flash floods, lightning, insects, reptiles, toxic plants and wild animals, unpredictable forces of nature, and civil unrest and terrorism. I can slip or fall during a hike or at camp; accidents can occur which can result in damage to equipment or personal injury. Exposure to the natural elements can be uncomfortable and/or harmful. I am aware that this exposure could cause sunburn, dehydration, heat exhaustion, heat stroke, and death. WRTL employees have difficult jobs to perform. They seek safety, but they are not infallible. They might be unaware of a participant's fitness or abilities. They might misjudge the weather or environmental conditions. They may give incomplete warnings or instructions and the equipment being used might malfunction. In addition, there are risks involved in traveling to and from the road trip or other destinations, including but not limited to airplanes and ground transportation such as automobiles, bus, shuttles, and personal transport. Significant elevation changes may be experienced through participation in this program. I understand that it would be extremely dangerous if I were to choose to leave the trip prior to its scheduled conclusion and that WRTL is not responsible for my well-being once I have left the trip and the Activity leader.

I am Aware that the activity entails risks of injury or death to any participant. I understand the description of these inherent risks is not complete and that other unknown or unanticipated inherent risks may result in injury or death. I agree to assume and accept full responsibility for the inherent risks identified herein and those inherent risks not specifically identified. My participation in this activity is purely voluntary, no one is forcing me to participate, and I elect to participate in spite of and with full knowledge of the inherent risks.

I acknowledge that engaging in this activity may require a degree of skill and knowledge different than other activities and that I have responsibilities as a participant. I acknowledge that the staff of WRTL has been available to more fully explain to me the nature and physical demands of this activity and the inherent risks, hazards, and dangers associated with this activity.

I certify that I am fully capable of participating in this activity. Therefore, I assume and accept full responsibility for myself, including all minor children in my care, custody, and control, for bodily injury, death or loss of personal property and expenses as a result of those inherent risks and dangers identified herein and those inherent risks and dangers not specifically identified, and as a result of my negligence in participating in this activity.

I have carefully read, clearly understood and accepted the terms and conditions stated herein and acknowledge that this agreement shall be effective and binding upon myself, my heirs, assigns, personal representative and estate and for all members of my family, including minor children.
